**How can you help at home?**

- Story time: you or other family members read a story to your child; this includes children in all Key Stage 2 year groups.

## *'Living and Learning through Christ'*

- Ensure your child is reading with or to an adult regularly. This is important even if your child is a fluent reader as it supports pronunciation and understanding. It also provides the opportunity to support discussion, prediction and hypothesis.
- Offer support with home learning (Times Tables, Spellings, Maths). Sites such as Khan Academy are very useful to help parents and their child with explanations and how to work through Maths problems.  
BBC Bitesize has lots of support for parents to help children of all age groups.

### *Reminders:*

- PE kits to be worn to school on timetabled PE days. PE kits consist of plain black/navy shorts with a plain white t-shirt/polo top and trainers. When the weather turns colder, children are invited to wear an appropriate tracksuit to school on the days they have PE (please refer to the overview table).
- Home reading books and reading diaries to be brought into school every day.

*Many thanks for your continued support,  
Mrs Hewlett*
