Pre-School Newsletter

WB: 14/09/26

Dear parents and carers, we hope our newsletter finds you well. The children have done a wonderful job of settling into their routines this week and we look forward to welcoming them for their full sessions next week. If you feel your child would benefit from more settling in sessions, then please let us know.

General reminders

- Please can you ensure you are labelling all of your children's items to prevent any items going missing. This includes water bottles and lunch boxes.
- Snacks- Thank you to everyone who have been placing their snack into the snack basket in the morning, this is really helping with snack times to run smoothly. If you aren't putting your children's snack in the basket yet please do so from next week.
- Please let a member of staff know if you need help accessing Tapestry or Arbor.
- We will be starting our forest outdoor sessions next week. If you haven't done so already, please could you send your child in with some welly boots as it gets very muddy up there during autumn!
- We welcome parents and children to sit/use our garden area at the end of the day and it is lovely to see children playing together while parents connect. The children spend time, at the end of the Pre-school day, tidying away all of their toys and it saddens us to see the garden being left untidy once everyone has left the school grounds. Please help your child to pop any toys or equipment away (bikes, scooters, blocks) at the end of the school day to ensure it is nice and tidy for them in the morning.
