Pre-School Newsletter

WB: 07/09/26

Dear parents and carers, we welcome you to our first newsletter of the school year.

The children have done a fantastic job of returning to their routines and the new children are doing a brilliant job of settling in and making new relationships.

We have had lots of building work done over the summer which has made huge improvements to the space we have and I am sure you will agree, we think it looks fantastic!

General reminders

- Please can you ensure you are labelling all of your children's items to prevent any items going missing? This includes water bottles and lunch boxes please.
- Snacks- Please ensure your child is being sent into school with plain breadsticks or plain rice cakes for morning snack time (fruit and vegetables are welcome too!). Please can we ask this to be separate (in a bag or pot with their names on it). We will have a 'snack basket' which will be on the lunch box trolley every morning for you to pop their snack into the basket so this stays separate from their lunch. There will be sticker labels and a pen in the basket if you need to put your child's name on the container.
- Please feel free to send your children into school with a pair of wellies for us to keep as we will be starting forest school over the next few weeks.
- Please let a member of staff know if you haven't been able to access Tapestry. Over the next week or so, Tapestry will start to be populated with photos and information about your child's day and what they

'Living and Learning through Christ'

have been up to 😊 Can you please 'like' the posts that you do see, this gives us an indicator as to how many people our posts are reaching.

Dates for your diary

- Friday 23rd October – Last day of term 1.
- Monday 2nd November - Return to school for term 2.

Missing items

Any lost property gets popped onto the lunch trolley at the end of the day. Please check it to ensure your children's things go home with you. At the moment we have left behind a plain black coat with fur inside and a blue rain coat with a tiger on the back.

Please ask a member of staff if you have any questions. You can catch us at the door in the morning or afternoons, give us a call on the school number or pop Helen an email.

Thank you for your continued support,

The Pre-School Team
