Dear Parents and Carers,

22.06.26

I hope this finds you all well.

Sports Day

You will not be surprised to hear that we need to cancel our much loved Sports Day due to the expected high temperatures this week.

Class teachers are planning this terms family event around sports activities so look out for more information from them.

England V Ghana

Tuesday 23rd June at 9pm Boston Stadium, Massachusetts

To compensate in some way for the cancelled Sports Day and allow families to enjoy the England vs Ghana World Cup match tomorrow night, we are adjusting our school timings on Wednesday 24th.

The school doors will open at the usual times so those wishing to come in as normal can do so, however if your child needs a lie in following the late match, they can arrive at any time up until **10.30am** without it affecting their attendance.

Please be aware that children arriving after 10.30am will receive a late mark.

Reception Class Trip

We need to postpone the Reception class trip to Noah's Ark Zoo Farm planned for Thursday 25th due to the expected high temperature. Miss Campbell is busy rearranging the coach and booking so look out for the new date.

Warm Weather

During this week of high temperatures, children are welcome to attend school in their PE kit if they find it cooler than their uniform. We are splitting playtimes so that the children are not out in the heat for too long a period of time. If your child is asthmatic, please ensure there is an inhaler in school and that it is in date and the same for hay fever medication. Please apply sunscreen before school and provide a sunhat and bottle as we will be encouraging lots of hydration breaks.

Thank you as always for your support.

With kind regards,

Mrs. B P Lee
